Subject: Letter of Resignation

Please accept this formal letter of resignation from my position on the board of directors since I am no longer a property owner of the town of Johnsville.

It has been a pleasure to be a member of the board and I believe we as a board have accomplished much.

My most sincere thank you to David and John for being patient and dedicated to the newest member of the board. I wish you all

the best and you know that you have my support facing the challenges of the future.

Additionally, I wish to extend a most grateful appreciation to Mellisa and Berry Sheets for their loyalty, expertise and energy in making the town of Johnsville habitable.
