Dear Sirs,

Please accept this letter as my formal resignation notice from the position of Johnsville Public Utility District secretary/manager, effective June 30, 2026.

This was not an easy decision after serving in this role for 38 years. But I feel it is in the best interests of the district and myself to step down given my own bandwidth and the future needs of the town. If it would be helpful, I am happy to serve as a paid consultant this summer to help to train the new person and support the transition.

I have enjoyed serving the homeowners of Johnsville and will continue to be an ardent supporter of the town and the water district.

Respectfully submitted,

Melissa Sheets
